

# Walk for Peace

## 4<sup>th</sup> September 2021

Medway Interfaith Action (MIFA) is pleased to announce that we will be doing another Peace Walk this year with the theme of 'Walking together for Peace and Wellbeing'.

As COVID-19 regulations are eased, it is important for us to get together and share our community spirit regardless of faith, culture, or race to understand each other, share experiences and improve our health and wellbeing in the community. To enable this, we invite you to participate in this event.

We will adhere strictly to any Covid regulations in force on the day but also encourage you to wear a mask when entering the Gurdwara and Church. Shoes will need to be removed and a cap or scarf worn for the Gurdwara.

Please help to spread the word and share with your friends and family and mark it in your calendar.

The programme is:

- 13:00 meet at the Naval Memorial, Great Lines, Gillingham
- Welcome with an 'interfaith service for peace' by members of local faith communities
- Walk to Medway Maritime Hospital (ME7 5NY) to give thanks to the staff
- Walk to Byron Road Gurdwara (ME7 5XZ), for a warm welcome and understanding about Sikhism
- Walk to St Marks Church (ME7 5JA), Gillingham for entertainment, guest speakers, and light refreshments
- 19:00 finish
- Public parking is available at the hospital and University of Kent sports centre near St Mark's Church
